

What is the Sports Premium?

The Government has been providing funding to provide quality primary PE and school sport. Each school will receive £16,000 plus an additional £10 per pupil for the next two years - for Cadishead Primary this will equate to £19,110. See the chart below for a spending breakdown and the impact it has had.

Provision in school

As a school we already provide high quality Physical Education and sport, and our intention is that this funding will further enhance the existing provision in school.

The Governors agree that the funding must be used so that:

- All children benefit regardless of sporting ability;
- All children have the opportunity to compete in competitions at some level;
- The most able children are given the opportunity to participate in high level competitions;
- Staff have access to training opportunities and continued professional development.

Our funding in 2019- 20 will be used in the following way:

- To purchase the SLA with the Salford Schools Partnership to develop sporting skills, access services and compete in Inter-school competitions;
- To employ coaches to develop physical skills with our children.
- To employ a gymnastics specialist teacher to raise teaching expertise in our staff and provide high quality teaching to our pupils.
- To employ a Manchester City coach to raise teaching expertise in our staff and provide high quality teaching to our pupils.
- To employ a coaches to teach sport skills to our children and run lunch and after school clubs; (Please note this is in addition to Sports coaches covering teacher PPA)

- To work with Manchester City FC, Manchester United FC, Sale Sharks, Salford Red Devils to develop team skills;
- To jointly fund the services of a PE specialist with our schools cluster to increase participation in competitive sport and the skills set of our current staff;
- To provide release time for subject leader to provide training for staff in-house and to increase competitive opportunities within school;
- To ensure all children leave school able to swim
- To improve resources for PE education
- To increase the range of before and after school sporting provision including Judo and Yoga sessions
- To train pupils in Year 5 and 6 as 'Playground leaders' and to provide them with equipment to facilitate physical activity at break and lunchtimes.
- To improve joint working with local agencies - Heath team, Sustrans (Bike IT), Park Wardens.

Reporting Outcomes

There are 5 key indicators that schools should expect to see improvement across as a result of Sports Premium spending:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Updates relating to our provision for PE and sport will be provided throughout the school year through the school website newsletters and Twitter. Although it is worth noting the excellence of our sporting provision has already resulted in the award of the Gold Kitemark from Sport England.

100% of our children will leave KS2 able to swim 25 metres unaided, use a range of strokes effectively and be able to perform safe rescue in different water-based situations.

The impact of the funding can be seen in the level of participation in sporting competition and before and after school clubs.

Teams and individuals participate in a wide range of sporting competitions and showcases. Over 50% of children in KS2 now participate in extra curricular activities.

All teaching staff have had the benefit of working alongside professional sports coaches to improve their own ability to teach sporting activities.

The impact of the funding will also be reported annually to parents and governors.

What the money was spent on.	Amount	Impact
Salford SLA	£750	Children able to take part in Salford competitions. Full advantage has been taken of this see newsletters and schedules for details
Allocation of coaches on playgrounds at lunchtimes	£5200	All children have access to trained coaches on KS1 And KS2 playgrounds conducting a variety of planned activities and targeting groups. This has resulted in nearly all children taking part in a lunchtime session every week
Supply cover	£900	This has facilitated the release of Mr Metcalfe to attend training, competitions and to work with our staff to improve the quality of sports provision. 3 NQTs have successfully completed induction.
Cluster lead	£1100 (inc equipment renewal)	The cluster of schools jointly fund Jude Scrutton to co-ordinate cluster competitions and work with school staff. We have had staff trained in physical literacy and participated in a wide range of cluster events. - see cluster newsletter for details.

Coaches from Man City	£5000	Manchester City Coach has worked with staff to improve their capacity to teach high quality PE and run lunch time and after school clubs weekly
Gymnastics coach	£2000	Coach employed to teach gymnastics in KS1 demonstrating good practice and teaching staff
Provision of equipment for playgrounds	£1200	Playground equipment provided for break and lunchtimes with Playground leaders
After school club coaches Judo x 2, Yoga, Multi sport	£4680	
Additional Resources	£2508.50	Additional resources
Sports uniforms for teams in competition	£468.50	Logoed hoodies and polo shirts
<p>The grant has been augmented with money from the school budget and a grant. School has achieved the Gold Sports England Kite mark and the number of children participating in after school clubs has risen from just under 20% to over 35%.</p>		

PE and sport premium for primary schools

If your school receives [PE and sport premium funding](#), you must publish details of how your school spends this funding and the effect it has had on pupils' PE and sport participation and attainment.

You must include the following:

- your PE and sport premium allocation for the current academic year;
- details of how you intend to spend your allocation;
- details of how you spent your previous academic year's allocation;
- how it made a difference to the PE and sport participation and attainment
- How you will make sure these improvements are sustainable
- how many pupils within their year 6 cohort can do each of the following:
 - swim competently, confidently and proficiently over a distance of at least 25 metres
 - use a range of strokes effectively
 - perform safe self-rescue in different water-based situations
