Children **must** have their reading books in school **every day**. As part of their homework, they are expected to read and have their reading diaries signed **at least 3 times a week**.

Water Bottles/Snacks: Fruit, toast or a cereal bar can be brought in for morning snack. Children may also bring water bottles in to school.

The school will also provide bagels and cereal in the morning for breakfast.

This term we will be learning all about The Victorians (in particular Queen Victorian and the life of children within school) as well as earthquakes, volcanoes and mountains. As part of our Victorian learning the children will take an educational visit to Quarry Bank Mill and learn about the working conditions of children within the mill.

When Spring 2 arrives, 3M will begin their ukulele lessons. Will we have a future rock star?

Thank-you
