

Cadishead Primary School Home Learning Grid

Date: Friday 1st May 2020

Year 2

All children should complete the following 3 activities weekly.

Reading

Please continue to read regularly at home - read to a grown-up and share as many books as possible together.

Choose your favourite Fictional Story. Re-read the story and then play 'Role and Retell'.

Please see bottom of this grid for game rules. If you don't have a dice at home, you could always make your own!

Times Tables

Practise your times tables daily.
10x 2x 5x 3x

Remember to keep on building up your score on Times Tables Rock Stars!

Try the 'Super Maths Bowling' game. You can play this on your own or with a sibling or grownup by selecting the two player option.

Spellings

Look, cover, write, check.

Daily spellings practise from the Year 2

common exception words list (in your home-learning pack).

Practise spelling words with the suffix ment, less, ful, less & ly.

<https://spellingframe.co.uk/spelling-rule/2/Year-2>

Try out as many of the activities below as you can. You can decide how you wish to present your completed tasks.

We'd love to see how you're getting on - send us a message or a picture on Dojos anytime.

Research it! Animals

Choose your favourite animal and research facts all about them. What do they like to eat? Where do they live? What type of animal are they - vertebrate, mammal, bird, fish, reptile or amphibian?

Maybe you have more

Maths challenge Mass

Investigate Mass (weight) by looking at objects around your house. Choose two items - which one is heavier/lighter? Choose a third item and compare all three. Can you order them from lightest to heaviest?

Search your home for measurements of Weight by looking at different food packaging. Do you notice that lighter things are measured in Grams (g) and the heavier ones are Kilograms (Kg)?

Can you compare and order the household items you've found in-order of weight from lightest to heaviest?

Play:

Healthy Living Fruit and Vegetables

We know that we should be having at least 5 portions of fruit and vegetables per day to keep us nice and healthy! But ... how many do you actually have? Keep a diary of the different fruits and vegetables you eat for one week by making a list and recording as a tally. Did you eat much more than 5 a day on a certain day? Which fruit or vegetable do you eat the most of?

Create it! Fork Flowers

Spring has most certainly sprung and summer is nearly upon us so there are beautiful flowers everywhere! Have a go at making your own 'Fork Flower' using paints and a fork from your kitchen.

Family Time Activity Jars

Together with your grownups and/or siblings make your own 'Activity Jar'. If you ever think you're getting a little bit bored or just need a break from your school work, randomly select an activity from your jar to keep you busy and make you smile.

Your activities can be anything you want them to be - go for a walk, read a book, FaceTime a family member, play in the garden, listen to

Cadishead Primary School Home Learning Grid

Year 2

than one favourite - research them both and compare them. What is similar/different about them? Challenge - show this information in a Venn Diagram.

Present your findings however you choose; as a poster, presentation, report, leaflet, news report, list of questions and answers Etc.

[reading-scales-mass/](#)

If you have some real scales at home you could even try weighing some ingredients/objects out yourself. Don't forget to pay attention to the dials to see the actual mass of the object.

Exercise

Why not try some Yoga? Cosmic Kids have some fantastic ones for you to try!

<https://www.youtube.com/user/CosmicKidsYoga>

What else can you create using other kitchen utensils?

music, make a healthy snack, make some play dough, sit in the garden etc.

roll & retell

- What is the story mostly about?
- Who are the main characters?
- Where does the story take place?
- When does the story take place?
- What happened at the beginning, middle, and end of the story?
- What questions do you have about the story?
