### Principles

At Cadishead we ensure that teaching and learning opportunities in PE are high quality, meeting the needs of all of the pupils to enable them to achieve their potential.

We provide a broad PE curriculum.

Sport Premium funding is allocated and targeted following a needs analysis which will identify priority classes, groups or individuals who need to increase their participation in PE and Sport. Limited funding and resources means that not all children will be in receipt of sport premium interventions at one time.

All pupils leaving Cadishead will be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle, and lifelong participation in physical activity and sport.

### Expected Outcomes

- 1) Raised attainment across all key stages
- 2) Increased participation for all children
- 3) Increased confidence, knowledge and skills for all staff in teaching PE and sport
- 4) Gaps in attainment in basic skills to be significantly reduced.
- 5) Needs of all children met through precise and informed teaching and planning.
- 6) Needs of specific children to be met through targeted clubs
- 7) Increased participation in competitive sports
- 8) Increased participation for gifted and talented, less active children and Pupil Premium
- 9) Achieve the Gold Kite mark
- 10) Children are equipped to develop healthy lifestyle choices
