

Cadishead Primary

Insert school log

MISSION STATEMENT

At Cadishead primary, we embrace all people at all times in our P.E. lessons.

Cadishead is a friendly, fair and respectful environment in which to engage in physical activities and live a healthy life..

Our ultimate goal is to prepare everyone for a bright future through P.E.

Principles

At Cadishead we ensure that teaching and learning opportunities in PE are high quality, meeting the needs of all of the pupils to enable them to achieve their potential.

We provide a broad PE curriculum.

Sport Premium funding is allocated and targeted following a needs analysis which will identify priority classes, groups or individuals who need to increase their participation in PE and Sport. Limited funding and resources means that not all children will be in receipt of sport premium interventions at one time.

All pupils leaving Cadishead will be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle, and lifelong participation in physical activity and sport.

Expected Outcomes

- 1) Raised attainment across all key stages
- 2) Increased participation for all children
- 3) Increased confidence, knowledge and skills for all staff in teaching PE and sport
- 4) Gaps in attainment in basic skills to be significantly reduced.
- 5) Needs of all children met through precise and informed teaching and planning.
- 6) Needs of specific children to be met through targeted clubs
- 7) Increased participation in competitive sports
- 8) Increased participation for gifted and talented, less active children and Pupil Premium
- 9) Achieve the Gold Kite mark **Achieved Silver but was very close and some PE leads from within our cluster believe we did enough to achieve Gold.**
- 10) Children are equipped to develop healthy lifestyle choices

Summary of SPG spending 2021/22

Actions

Action 1: Fund a range of extra-curricular activities for all year groups

Evidence:

- A range of extra-curricular activities have been offered every half term. These will include:

KS1 Judo

KS2 Judo

A dedicated girls club

Jag-Tag

Competition Club

Targeted club for those that usually don't attend or appear less active during the school day (whether that be at break times or in the P.E. lessons)

Other clubs (child interest led)

Targets met: Yes. Clubs were successful and we have again decided to use a large percentage of our Sports Premium to offer free after school clubs to the children from Year 1 to Year 6.

Children are letting the staff know about clubs they like and so we will continue to offer these clubs.

Popular clubs include gymnastics and Jag Tag.

The Sports Council will again start next year and the children can inquire about what clubs they'd like throughout the year.

Action 2: Engage as many target groups as possible through extra-curricular clubs

Evidence:

- Target groups of children were identified by the subject leader and class adults via data, P.E. lessons observations and break observations.

Targets met: Yes. We looked to offer a greater number of places to Pupil Premium children as the year went on. By the end of the year we had 13% of our after school club children were Pupil Premium children.

Teachers would ask particular children what clubs they might like to engage in and represent the school in.

Summary of SPG spending 2021/22

Action 3: Purchase new PE equipment to enhance learning experiences

Evidence:

- The subject leader will purchase equipment deemed necessary for the year. Equipment will include traditional resources like bean bags and spots as well as a broader range of equipment for new / modern activities like Tchoukball from the previous year.

Targets met: PE equipment bought can be seen via the Sports Premium budget. New sports / activities that the PE lead saw being taught or offered in an after school club included:

Kinball (To the best of my knowledge, Cadishead were the only school in Salford to do this).

Wrestling (used the Judo mats and Jag Tag belts).

Action 4: To use a scheme of work to aid staff planning and assessment and development.

Evidence:

- The subject leader worked with the sports coaches (dance) and produced a scheme of work for staff to follow in a second half term.

Data will be assessed via Classroom Monitor.

Targets met: All teachers had the opportunity to observe a skilled, specialist dance coach then implement a lesson later in the year.

Feedback from the staff was the coach was/is excellent. As such we will use the coach for an additional year to further develop our dance skills. The following year, we will look to observe another specialist coach so we do not become dependent on the dance coach and we use our new skills.

Action 5: To enhance competition offering across all key stages

Evidence:

- There were opportunities to attend a wide range of competitions. Competitions will be directed towards A,B and C teams as well as target group children for Archery and Tri-Golf within our cluster.

Summary of SPG spending 2021/22

Targets met: Entered numerous competitions (level 2 and level 3). Had A, B and C teams represented. Target group festivals were a huge hit with the children that do not usually represent the school.

Evidence via Twitter (Mr Metcalfe tries to take pictures from every competition he goes so the school and it's community can see and comment) and Evolve.

Swimming:

- All of year 4 will receive half a year's swimming lessons.
- Any children in year 6 who cannot swim 25 metres will attend lessons.

Swimming Data:

- All year 6 children can swim 25 metres.
- 59 out of 60 year 4 children can swim 25 metres. The children who cannot swim 25 metres have been attending swimming lessons with year 4 and will continue to do this in year 6 until they can swim 25 metres.
- The one child that cannot is SEND and has met his swimming target.

SPG Spending Projection

SPG Spending Projection 2019/2020			
Item/Project	Cost	Objective	Outcome
Hiring qualified sports coaches to deliver lessons and develop teachers' sports knowledge and confidence in PE and school sport. Dance teacher (Rebecca Barwick at Starlight Dance).	£1,950	Teach the children high quality lessons from experienced coaches. Ensure children are being taught the skills needed and progression is occurring. To engage all pupils in regular physical activity. To continue to increase attainment in PE. To extend gifted and talented children extra-	<i>Lessons are delivered to a high standard and the coaches plan progressive lessons which develop children's skills. The children are assessed every half-term and this is inputted into an online portal which teachers have access to. The children have been provided with a broad curriculum offering. The assessments have been used to inform the planning of the lunch time clubs and helped to identify any children who require additional support. Targeted lunch clubs have been used to</i>

Summary of SPG spending 2021/22

		<p>curricular activities and local clubs. Identified through lessons delivered.</p> <p>To develop extra-curricular sporting opportunities including competitions.</p> <p>To plan and implement activities termly for lower achieving children.</p>	<p><i>support these children. Gifted and Talented children have been selected to represent the school in inter-school competitions.</i></p> <p><i>Teachers have worked closely alongside Rebecca for high quality CPD. Teachers observe every session and work alongside Rebecca to gain experience and ideas to support their teaching.</i></p>
<p>Teacher Release And Increase confidence, knowledge and skill of all staff in teaching PE and sport</p> <p>Attend a wide range of competitions within Salford.</p>	£2,000	<p>To enable the subject leader to monitor lessons across the school including swimming.</p> <p>To release the subject leader to observe specialist coaches.</p> <p>To attend PE Lead meetings to keep up to date with relevant information.</p> <p>To continue to raise the profile of PE and sport being raised across the school.</p> <p>To support staff with implementing PE curriculum.</p> <p>To monitor targeted actions to ensure we are continuing to work towards the Gold Kitemark.</p>	<p><i>The subject leader:</i></p> <ul style="list-style-type: none"> <i>-observed lessons, afterschool clubs and lunch time clubs.</i> <i>-read up on current events and looked at good practice.</i> <i>-updated action plans and policies.</i> <i>-made progress to achieve Kitemark and monitored actions.</i> <i>-organised inter and intra-school competitions</i> <i>-monitored the online portal including assessments and progress being made.</i> <i>All staff completed questionnaires to assess their confidence/competence in delivering PE.</i> <p><i>The subject leader:</i></p> <ul style="list-style-type: none"> <i>-regularly attended CPD training and conferences.</i> <i>-regularly met with PE advisors to review and assess PE/physical activity offering.</i>
